

“Em! Dorothy! Go into the cellar now! A tornado is coming!”

Aunt Em and I ran down the steps and into the cellar, but Toto was afraid. Toto ran into my bedroom and hid under my bed.

I ran into my bedroom, picked Toto up and ran to the cellar door. But the tornado hit the house just before I got to the door. Then something very strange happened.

The house moved! It went slowly up into the sky. I looked down and there I saw Aunt Em and Uncle Henry in the cellar under the ground.

“Dorothy! Dorothy!” they shouted.

Soon the house was at the top of the tornado. I looked down through the open cellar door and saw houses below. Then I quickly shut the door.

At first I was very frightened. The wind blew our house for a long time. I held onto Toto and we sat on the floor. Soon we fell asleep.
